Dare 2 Care aims to financially and practically assist selected credible organisations whose primary focus is benefitting vulnerable children and in particular feeding and education.

Main Objectives

Dare 2 Care exists to provide support to selected existing credible, sustainable non-profit organisations by:

- Funding specific projects within the organisations.
- Providing manpower and skills to these organisations where this is required for project completion.
- Ongoing monitoring of outcomes after projects are completed.

Ancillary Objectives

- To raise funding for projects from benefactors, business, corporate and individual donors.
- To build capacity and sustainability within the beneficiary organisations.
- To help organisations network by identifying, developing and using the resources available within their local communities and in return provide service back to the community.

Funding & Donations

Dare 2 Care currently gains funding from individuals as well as small and large businesses. Donations are received in the form of monetary donations as well as specific items in need such as stationery, baby essentials, food, clothing, etc.

100% of the funds are directed to the beneficiaries because the operating costs are born by Bridge Church.

We currently feed 1000 kids per week with the highly nutritious meal, Nutrigo. With this growing number of kids we are working towards our goal of 2000 meals per week.

Beneficiaries

Beneficiaries include no fee schools, crèches, and children's homes for abandoned children.

Dare 2 Care aims to include feeding, maintenance and training of beneficiaries.

Dare 2 Care aims to include feeding, maintenance and training of beneficiaries. It uses "Hands and Rands" to benefit the beneficiary. This includes project-based events to improve facilities, add value to the existing school, crèche or home.

Targeted needs and a priority list of urgent needs is used to facilitate acquiring funds, donations and volunteers. All of which culminates in providing upgrades, additional facilities or maintenance to the beneficiary.

We will issue a Section 18A donations tax receipt for any donation.
